AND

Their workmen.

PRESENT:

Shri S. K. Sen.

APPEARANCES:

On behalf of Employers.—Shri B. K. Roy, Personnel Officer, New Jemehari Khas Colliery

On behalf of workmen.—Shri K. S. Roy, Vice President, Colliery Mazdoor Sahha

STATE: West Bengal.

INDUSTRY: Coal Mines.

AWARD

By Order No. 6/69/65-LRII, dated 24th August, 1965, the Central Government referred for adjudication an industrial dispute between the employers in relation to the New Jemehari Khas Colliery, P.O. J. K. Nagar, District Burdwan, and their workmen in respect of the subject matter mentioned in the following schedule:

"Whether the refusal of employments by the management of the New Jamehari Khas Colliery to their workmen Sarvashri Bara Bali Rajbhar and Chota Bali Rajbhar amounts to victimisation?

If not, to what relief are they entitled?"

- 2. At New Jemehari Khas Colliery, a pit known Pit 18-19 used to be worked previously. Then a new pit known pit 21-22 was started commencing from 1961. In August 1964 working of the old pit 18-19 had to be stopped due to inrush of hot water. There was a strike in pit 21-22 from 20th November, 1964. This was settled at the intervention of the Regional Labour Commissioner, Central, Calcutta by a memorandum of settlement dated 8th December 1964 between the Management and the Union. By the terms of that settlement it was agreed that the old workers who had been working in pit 18-19 would be employed in Pit 21-22 displacing the newly appointed workers of Pit 21-22 according to the principle "last come first go". The appointment was to be made with effect from 9th December 1964 and the offer of absorption of the old workmen was to remain open until 31st December, 1964.
- 3. The two workmen concerned in this reference case namely Bara Bali Rajbhar and Chota Bali Rajbhar, were both working as chaprasis when the old pit 18-19 was being worked. According to the terms of another agreement between the management and the union dated 2nd October 1964, the workmen were to go on leave without pay for one month. According to the Management, the two chaprasis did not report back for work between 9th December 1964 and 31st chaprasis did not report back for work between 9th December 1964 and 31st December 1964 and therefore they were not given employment. According to the union, however, the two chaprasis were monthly paid workmen and did not go on leave, but they continued to work as chaprasis guarding the godown even after the closer of pit 18-19. They were not paid their wages for 7 months from June 1964 to December, 1964; and the management in order to escape the liability for the arrears of pay wanted dishonestly to get rid of the two chaprasis by refusing to employ them after the dispute as to arrear wages had been referred before the Conciliation Officer. It should be added that according to the case of two chaptants of the case even after 31st December, 1964 and only on 5th March, 1965 that they were verbally even after 31st December 1964 and only on 5th March, 1965 that they were verbally told by the manager to leave the colliery.

- 4. The two chaprasis concerned deposed as witness No. 1 and witness No. 2 for the union and Shri Sunil Sen, Organising Secretary of the union also deposed as witness No. 3. He proved the complaint made by him on 16th January 1965 relating to the two chaprasis and several other workmen vide Ext. 1, regarding the non-payment of wages since June 1964; thereafter, a consolidated petition concerning these and other matters was filed by the Union, and the Management on 11th May 1965 filed a reply before the Conciliation Officer, Ext. 3 and the Conciliation Officer gave his decision on 15th May 1965, Ext. 2. It appears that the management admitted that two Ball Rajbhars had not been paid their wages from August to December 1964 and the Conciliation Officer accepted the management's case that they had been paid for June and July and he directed payment of arrear wages to these two workmen from August to December 1964 and made his award accordingly. These documents go to show that the management's present case that these two chaprasis had gone on leave without pay in accordance with the agreement of 2nd October 1964 and that they did not report for duty between 9th December 1964 and 31st December 1964 cannot be accepted. At the same time, I cannot accept the case of the union that these two chaprasis worked even after 31st December, 1964, because if they had done so, it is reasonable to expect that a decision would have been made about the wages for January and February 1965 also, for the decision of the Conciliation Officer was given on 15th May 1965. I hold from the evidence and circumstances that these two chaprasis continued in service until 31st December 1964 and were not continued in service thereafter although no formal order of discharge or dismissal was made.
- 5. According to the evidence of the workmen concerned, Bara Bali Rajbhar worked for 6 years in Pit 18-19 and Chota Bali Rajbhar worked for 5 or 6 years. Bibhatsu Roy who deposed for the management could not deny that some new chaprasis had been employed in connection with the work of the new Pit 21-22. In the circumstances, according to the agreement of 8th December 1964, the management ought to have employed these two chaprasis at the new pit and if necessary retrenched some more recently appointed chaprasis.
- 6. These two chaptasis were members of the union. Colliery Mazdoor Sabha and they had been seeking relief by complaining to the union from time to time, and the union took up their case with the Conciliation Officer. It is not unlikely that because of this the management did not employ these chaptasis in connection with the work of the new pit 21-22. They are entitled to obtain employment, and also to a part of their wages during the period of non-employment. The colliery has large payments to make under the award of the Conciliation Officer, and has not yet been able to make the payment. Further, the Union has been responsible partly for the delay in the disposal of this reference case. Hence I think that an order for payment of a quarter of the wages due for the period of non-employment would be sufficient to meet the ends of justice.
- 7. Accordingly, I find that the refusal by the management of the New Jemeharl Khas Colliery to employ Shri Bara Bali Rajbhar and Sri Chota Bali Rajbhar was unjustified and amounts to victimisation. They are entitled to be employed as chaprasis in connection with the work of the new Pit 21-22 and I direct that they be given such employment within one month from the publication of this award; and be further paid at the rate of one-fourth of their wages for the period from 1st January 1965 to the date of employment under this award.

The Government of India in its Ministry of Labour, Employment and Rehabilitation (Department of Labour and Employment) had, by its order No. 7/26/66-LRII dated the 29th July, 1966, referred this dispute for adjudication by me. The assues as per the Schedule annexed to the Notification are these:—

- (i) Whether the management was justified in terminating the services of the following Lorry Drivers in Yellandu Colliery with effect from the 30th April, 1966, and if not, to what relief are they entitled? Whether they should be confirmed in their posts in view of the service put in by them and, if so, with effect from which date?
 - 1. Shri Bisram.
 - 2. Shri Balamrutham.
 - Shri Md. Issac.
 Shri Shrifuddin.

 - Shri Khajamia, 6. Shri Rameswar Sarma.
 - 7. Shrl Somaiah.
- (ii) Whether Shri G. Raghavulu, Lorry Driver, is entitled to be confirmed. and if so, with effect from which date?
- 2. The case of the workers was espoused by the Singareni Collieries Mazdoor Sangh, Kothagudium. The claimants filed statement of claims through Mr. S. K. Srinivasan, General Secretary of the Mazdoor Sangh. The management filed counter. When the dispute came up for enquiry on 3rd January 1967 a Memorandum of Settlement dated 28th. December 1966 was presented. As however Mr. Srinivasan did not file letter of authorisation then, an award could not be made at the time. It was received on 6th instant. The delay in that behalf was presumably due to preoccupation with the General Elections. The Memorandum of Settlement is signed by Mr. M. Vasudevan, Deputy General Manager, and by Mr. V. Gopala Sastry. Assistant Personnel Officer, on behalf of the Management, it is signed by Mr. S. K. Srinivasan on behalf of the Singareni Co'llieries Mazdoor Sangh. Mr. Srinivasan is the General Secretary of the Singareni Co'lieries Mazdoor Sangh. Three witnesses, viz. Messrs. Somaraju, Ch. Satyanarayana and Rasool, have attested the Memorandum of Settlement. It is stated in the covering letter signed by Mr. Srinivasan for the workmen and by Mr. Vasudevan and by Mr. Gopalasastry for the Management that the Issues have been amicebly settled and that therefore an award may be passed in terms of the Memorandum of Settlement. In respect of Nos. 1 to 6 as per issue 1 it is stated in it that they would be started on an initial basic of category VIII, i.e., at Rs. 2, 25 per day, and that they would also be allowed one increment from 1st June 1967. In respect of Somaraju who is No. 7 under issue 1 it is stated that he has already been confirmed. In respect of G. Raghavulu, whose case is the subject of issue 2, it is stated that he would be confirmed as from 1st December 1966. I am satisfied that the settlement as stated above is fair. 2. The case of the workers was espoused by the Singareni Collieries Mazdoor that the settlement as stated above is fair.
- 3. Award is passed in terms of the Memorandum of Settlement dated 28th December 1966, a copy whereof is appended hereto.
